MOD 13HP & UNDER: Small block under 249cc, single cylinder. Pull start only.

MOD 13.1HP & OVER: Single cylinder, OPEN.

**TECH PERSONNEL HAS FINAL RULING ON CLASSES.**

ALL MINI BIKES MUST HAVE THE FOLLOWING: Good working brake. No shifters or transmissions. Poor workmanship that will compromise SAFETY will NOT compete! DRIVER RULES: No alcohol...One drink means no racing! You MUST wear a DOT approved helmet during all races. All drivers must sign a liability waver. Under 18 years of age must have a signed parental form!

**We no longer allow mini bikes to be rode on the grounds. Either you are racing them during our designated race times, or you are not riding them at all. You will get one warning if you are caught riding. After that, the Waupaca County Sheriff's department will handle any and all issues, including citations for illegal riding on the grounds. Symco Grounds is defined as but not limited to the parking lot, camping areas, swap meet, and show grounds.**
